Carol Harris Staffing “Walk/Run/Ride for Habitat”

The “Ride to Provide” a Habitat Home!

September 11, 2010

Dear Community Leader & Friend of Habitat,

Habitat for Humanity of Allegheny Valley and Carol Harris Staffing ask you to join us as we build a home. As a community leader, you understand what it means to promote team spirit with your employees. When you join the Habitat Team, you can help provide simple, decent housing to a local family in need. This is not a hand out, but a hand UP for our neighbors.

This year’s Walk/Run/Ride to Provide (a Habitat Home!) is being held on **September 11th at the Pittsburgh Mills Mall** and will celebrate our patriotic spirit and our ability to build (and rebuild) even in the face of great challenges. The spark that was ignited in all Americans as we came together after the tragic events of 9/11/01 is the same spirit that drives the Habitat Team to lift up our neighbors in need. **We will also celebrate our first ever Women Build for our affiliate!**

Habitat-Homes:

- Are built with volunteer labor
- Use donated building materials when possible
- Are sold to qualified families currently living in substandard housing
- Are paid for by the family in the form of a low cost, interest free mortgage
- HFH makes NO profit on the houses.
- Mortgage funds help build more Habitat homes!

As a Walk/Run/Ride T-shirt Sponsor, You Will Receive:

- Recognition on large registration area and Habitat-Home signage
- Exposure to over 500 event day participants in addition to busy mall traffic
- Full page ad in event day booklet
- Logo or listing in ride brochures
- Acknowledgment in direct marketing brochures distributed to over 2500
- Recognition in 1000 brochures placed in local businesses
